GENERAL INFORMATION

Welcome to the Nebraska State Fair Park and Lincoln! We hope your stay with us will be both enjoyable and profitable. Our Racing staff is at your disposal and will try to assist you in any way it can.

After horses have been registered in the Racing Office listing their owners, no horse will be transferred (unless claimed during the meeting) without permission of the Stewards, who will require a NOTARIZED bill of sale from the registered owner.

All heel-nerved, mares in foal, and blind or substantially impaired vision horses must be reported to the Racing Secretary by the trainer when the horse's foal papers are registered for racing. Owners and trainers must claim correct allowances, running date and state penalties at the time of entry and are solely responsible if a horse starts with the wrong weight and is therefore disqualified.

Permission to change equipment must be secured at the time of entry from the Paddock Judge. Changes to or from blinkers or flipping halter must be approved by the Starter.

Owners and trainers are requested to see that their grooms and attendants are neatly and cleanly dressed when taking horses to the paddock.

Owners and trainers are requested to deposit Jockey Fees with the Horsemen's Bookkeeper before post time on the day of the race. Failure to do so may result in the horse being declared out of the race.

Claims must be stamped and deposited at least ten minutes before post time for the race in which the horse to be claimed is racing.

No dogs allowed in the stable area.

The Association reserves the right to withdraw entirely any unclosed race.

The above rules in no way supersede the rules of racing adopted by the Nebraska State Racing Commission which govern all races run over this course. You are strongly urged to pick up a rule book from the Commission.

All hoses must have nozzles on them. Please keep trash out of manure.

Thank You For Racing at Nebraska State Fair Park.

RACING SECRETARY

Nebraska State Fair Park Preference System -- 2008

1. Preference dates will not supersede conditions of a race (Winners preferred, high weights preferred, etc.)
2. Horses will not be eligible to receive a date until their papers are on file in the Racing Office. Horses without papers on file will receive least preference.
3. All horses registering prior to or at 6:00 pm on Sunday, May 11, 2008 will receive a zero which is the lowest possible date. A horse keeps his zero until he runs or scratches.
4. All horses registering after Sunday, May 11, 2008 will receive a running date of the day registered.
5. A zero takes preference over a running date.
6. Maidens entering against winners will receive least preference.
7. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held.
8. Horses which scratch or are scratched will keep their running date for the date they were scheduled to run.
9. All horses placed on the Stewards, Veterinarian or Starters lists will be posted on the bulletin board. They will not be permitted to start until they have been approved. Horses which are put on any of the above lists will be given a running date of the day the horse comes off the list. If a horse runs in the race he will keep his original date.
10. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race elsewhere. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e., tattoo, corrections, change of ownership or clarification, etc.) the Racing Secretary may determine the status of the preference date established.
11. Preference dates are good at any distance.
12. In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.
13. In rules four and eight, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
14. Any horses running in a handicap or stake will retain previously held preference date.
15. A list of dates will be posted each week.
16. Any discrepancies regarding dates should be immediately reported to the Racing Office.

**NEBRASKA
THOROUGHbred BREEDERS
DEVELOPMENT FUND
(N.T.B.D.F.)**

In 1983 Nebraska passed legislation that would provide for a fund to promote thoroughbred breeding and racing in Nebraska.

This fund is generated by 1% of the wagering at the Nebraska thoroughbred racing facilities.

At all Nebraska tracks, monetary awards are paid to the breeders, stallion owners and owners of Certified Nebraska breds.

If there is an overage of money in the funds, bonuses may be paid. These bonus checks can be quite substantial and have proven to be a boost to the racing industry.

In 2007, nearly \$1,000,000 from the NTBDF was paid to the breeders, stallion owners and to the owners of Certified Nebraska Bred horses.

The NTBA (Nebraska Thoroughbred Breeders' Association) works for all who are interested in the thoroughbred racing industry in our state.
