LINCOLN RACE COURSE 2018 PREFERENCE SYSTEM

1. Preference dates will not supersede conditions of a race. (Winners preferred, high weights preferred, etc.)
2. Horses will not be eligible to receive a date until their papers are on file in the Racing Office with current health papers.
3. Papers must be registered prior to the first day of entries for a zero date, which is the lowest possible date.
4. All horses registering after 4:00 pm, Friday, August 31, 2018 will receive a running date of the day registered.
5. A zero takes preference over a running date.
6. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held.
7. Horses which scratch or are scratched will keep their running date for the date they were scheduled to run.
8. All horses placed on the Stewards, Veterinarian or Starters lists will be posted on the bulletin board. They will not be permitted to start until they have been approved to start. Horses placed on these lists will keep their dates if they ran in the particular race in which they made the list. Horses which are scratched will be given a date for the day the horse comes off the list.
9. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race elsewhere. Should a horse's papers be withdrawn from the Racing Office for just cause, (ie: tattoo, corrections, change of ownership or clarification, etc.) the Racing Secretary may determine the status of the preference date established.
10. Preference dates are good at any distance.
11. In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.
12. In rules four and eight above, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
13. Any horses running in a handicap or stake race will retain previously held preference date.
14. In such a case, a race or races that have been cancelled; horses that were in those races for that day or days will receive a super-star with the previous racing date that was held when entered. The super-star and date will be preferred over horses with racing dates with no super-star.

TRAINERS ARE RESPONSIBLE FOR DATES.
